

To Our Guests,

At Balducci's Restaurant and Balducci Vineyards winery, we take a lot of pride in being one of your favorite dining experiences, and there is nothing more important to us than the safety and well-being of our guests, employees, and the communities we serve. With Coronavirus (COVID-19) on the minds of many, we want to take a moment to personally update you on the steps we are taking to ensure your health and safety during these challenging times.

To help protect our restaurant and winery against COVID-19, we are:

- Cleaning/sanitizing every table with bleach solution between guests.
- Salt, pepper and condiment caddies have been removed from tables. Parmesan and pepper shakers are cleaned thoroughly between guest use.
- Cleaning/sanitizing all "customer touch points" (door handles, condiment tables, and other high-touch surfaces).
- Increased and ongoing employee training and education on 'best practices' for sanitation, food safety, and proper cleaning & disinfecting.
- In addition ... we are now offering CURBSIDE PICK-UP service at the restaurant. Once you check our menu online at <https://balduccisrestaurant.com/menu/>, Just call 314-576-5024 to place your order. Call again upon arriving. We will deliver to your car.

Balducci's Restaurant and Balducci Vineyards winery ARE open. Tables are arranged with respect to social distancing guidelines.

We sincerely hope these options work for you and look forward to serving you and your family soon.

With appreciation,
Rick and Carol Balducci
